Guarantor Agreement / Acknowledgment of Notice of Privacy Practices / Laboratory Authorization

I authorize Memorial Dermatology/Greg William Pearson, M.D. to release any information necessary to process my claims for health benefits. I agree to assign the benefits of my insurance carrier to Memorial Dermatology/Greg William Pearson, M.D. I understand that Memorial Dermatology/Greg William Pearson, M.D. will file my insurance claim as a courtesy to me, and as such, is not required to wait extended delays in payment. I understand that I am fully responsible for any non-covered services, denied services, health insurance deductible/copay/coinsurance, or unassigned portions of charges at this office.

I understand that Memorial Dermatology/Greg William Pearson, M.D. does NOT have to file secondary insurance claims and I may have to file the claim if it does not crossover automatically. If your secondary insurance is an automatic crossover, Medicare will send the claim automatically to them. If not, the patient is responsible for the deductible and 20% coinsurance at the time of services are rendered. The patient will need to send the Medicare explanation of benefits to the secondary carrier.

By providing your email you agree to receive promotional and informative emails from our office. You have to the option unsubscribe at any time.

I have received (upon request) a copy of the Notice of Privacy Practices for Memorial Dermatology/Greg William Pearson, M.D. I consent to the use and sharing of my health records for treatment. Payment and operation purposes as described in the notice. I know if I do not consent, services cannot be provided to me.

Laboratory Authorization: Skin, nail and hair samples are routinely sent to a laboratory for microscopic evaluation to determine or confirm proper diagnosis. This will be a separate charge from our office charges. I authorize and understand that I am responsible for the cost of any testing or lab services performed for me and that billing of such services may be billed independently by another physician or laboratory. I further understand that any balance not paid after 90 days, regardless of insurance coverage, may be referred to a collection agency.

I have read and understand all of the following:

1. Payment (**cash, check, Visa, Master Card, and Discover**) is required for all services and/or copayments, deductibles, coinsurance. **Returned checks** will be charged a **\$25 fee** to cover processing and bank fees.
2. **Overdue accounts** (more than 30 days past due) are subject to a 1½% monthly late charge fee. In the event that a delinquent account must be turned over to collections, the patient is responsible for all attorney fees, court costs and collection agency fees associated with the collection process.
3. In order to provide the best possible service and availability to all our patients, it is our office policy to charge a **\$30 fee** for any appointments **not cancelled at least 24 hours prior**. This fee is NOT covered by insurance and is the responsibility of the patient. Please call us as early as possible if you know you will need to reschedule your appointment.
4. **HMO/Managed Care patients:** It is the responsibility of the patient to ensure that they have obtained a referral for all appointments with this office, if needed. The patient is financially responsible for any and all services rendered that are not a part of the referral, if not covered or paid by insurance. If you did not get a referral for a specialist, your insurance company will require you to pay the full amount for all services.
5. **Most insurance companies consider all dermatology procedures (such as skin biopsies or freezings) to be surgical in nature. They will often apply these costs to your deductible/coinsurance. The patient responsibility is due at the time services are rendered.** When we verify insurance, we are given a good idea about your coverage but we will not know exactly what they cover until we send off the claim and receive an explanation of benefits. If you want to delay a particular procedure until you know these details, the staff will be happy to provide you with the appropriate medical codes for you to give to your insurance company.
6. **Parents of young children:** While we strive to provide a safe environment for everyone, medical exam rooms can be dangerous place for unsupervised children. Please watch your children closely. For their safety, it is extremely important to keep them away from the medical waste trash can, the drawers, cabinets and the rolling stool.
7. **Cosmetic Services:** A cosmetic consult is not covered by your insurance, therefore it is the responsibility of the patient, and the consult fee is not applied to services rendered. All cosmetic packages expire 1 year from the purchase date. A deposit of \$100 is required for all cosmetic appointments. The deposit will go towards the cost of the services rendered. You will forfeit your deposit if the appointment is not cancelled at least 24 hours prior.
8. **Surgery/Procedure Appointments:** A deposit is required for the appointment. The deposit will go towards the cost of the services rendered. You will forfeit your deposit if the appointment is not cancelled at least 24 hours prior.
